CAMPUS LIBRARY

BOOK FAIR

PHILIPPINE ACADEMIC BOOK FAIR

The 20th Philippine Academic Book Fair Held at SM Megamall, EDSA Mandaluyong last July 5-7, 2016 was attended by the CSU Librarians including the Lasam Campus Librarian, Catherine M. Salva. The activity showcased the largest and most varied collections for academic institutions. The Book Fair aimed to: a) feature up-to-date books, journals, references and other materials recently published for and by academic community; and b) provide the academic institutions the opportunity to avail of educational materials relevant to their field of study.

The CSU contingent selected and evaluated reference materials for their respective course programs and campuses to compensate the library resources particularly in the weak areas of the collections in order to comply with the previous recommendations, which is to increase the number of the collection for adequacy and effectiveness of the library services .
