CAMPUS LIBRARY

MANILA INTERNATIONAL BOOK FAIR

The Campus Librarian together with other Cagayan State University Librarians joined the biggest and longest-running book fair in the country, The Manila International Book Fair (MIBF). The 37th MIBF was conducted last September 14-18, 2016 at SMX Convention Center in Pasay City. This event showcased products like bestsellers to textbooks, to graphic novels, and other educational materials.

The CSU Contingent to the 37th MIBF at SMX Convention Center, Pasay City

The MIBF aimed to: a) spread the love for reading among the Filipino public, and judging from the generations of visitors from coming back to the book fair each year; b) create opportunities for them to avail of books and learning tools for the development; c) upgrade and institutionalize skills of the book industry and its allied industries; d) provide a venue for the exchange of ideas among the participating publishers, booksellers, librarians, authors, illustrators, academicians as well as pupils/students, professionals and book lovers; e) encourage authorship and improve the literacy and creative content of book published.
